

# Preble ARES

## Service Net Script

Good evening! This is [YOUR CALL SIGN] conducting this evening's Preble Amateur Radio Emergency Service Net which is held every Monday at 8:00 pm.

It is the goal of the Preble Amateur Radio Emergency Service net to encourage the establishment, maintenance, and improvement of Preble County's disaster communications capability.

Net control for this evening is callsign K8YR. My Name is [YOUR NAME].

When checking in, please give your call sign and your name slowly.

We will start the net with a call for EMERGENCY, PRIORITY, or ROUTINE traffic in that order. When checking in, please give your name and callsign clearly.

Short time check-ins may check in at anytime during the net. We will start with:

1. Short time first? <pause & record check-ins>
2. Mobile check-ins? <pause & record check-ins >
3. Portable & emergency power check-ins? <pause & record check-ins >
4. Commercial power? <pause & record check-ins >
  
5. Any stations checking in have any traffic for the net?  
<allow for traffic to be exchanged>
  
6. Any late check-ins, any mode? <pause & record check-ins >

This has been the Preble Amateur Radio Emergency Service Net. Thank you for checking in and join us again next Monday at 8:00 pm Eastern Standard Time.
